WORK EXPERIENCE

Championship Martial Arts
Multimedia Content Planner | **Contractor**
Orlando FL.
09/2026 - Present

- Own production of a monthly Multimedia Content Planner for martial arts schools and consulting clients nationwide, organizing campaign themes, publishing guidance, and creative assets into a recurring marketing resource.
- Design and adapt multimedia assets, including motivational graphics, holiday graphics, and Lesson-of-the-Month visuals, converting print materials into social-ready formats using Canva and established brand guidelines.
- Research and recommend emerging content trends, video/photo concepts, and creative strategies to strengthen client engagement.
- Review each planner before distribution, verifying dates, testing links, and checking grammar, formatting, and brand consistency.

Ginsburg Family Foundation — Phoenix Generation & The Pledge of Central Florida
Multimedia Coordinator | **Full-time**
Orlando FL.
02/2026 - Present

- Lead multimedia planning and Social Media Committee coordination for PHXCON 2026, a conference designed to bring together 1,000 Central Florida students.
- Develop and edit animated, video-based, and multimedia content for digital campaigns, events, and organizational projects, using visual storytelling, motion graphics, and post-production techniques.
- Lead social media and multimedia content production for 2 community initiatives, coordinating campaign planning, photography, video, graphic design, and editorial approvals.
- Manage Instagram content and performance reporting for an account that recorded 55,148 content views and 49% follower growth over a 90-day period, using audience insights to inform content planning and creative decisions.
- Coordinate content contributions from approximately 30 fellows and students across UCF, Rollins, Valencia, and Full Sail, providing direction for videos, interviews, and campus outreach.
- Develop registration promotions, speaker features, fellow introductions, and event coverage plans; coordinate production assignments and stakeholder feedback.
- Coordinate content review and approval with organizational stakeholders, incorporating feedback into graphics, captions, and videos before publication.

Animation & Social Media Content Creator
01/2026 - 05/2026

- Created high-performing multimedia content reaching 30K–50K+ views per video while supporting brand growth, engagement, and cross-platform digital strategy.
- Produced behind-the-scenes photography content, using visual storytelling and timely publication to showcase organizational activities and community participation.

- Developed short-form video and animated content for community campaigns, combining visual storytelling, campaign messaging, and platform-specific formats.

Full Sail University
Orlando, FL.

VFX and Compositing Intern | **Part-time**
10/2025 - 03/2026

- Developed and implemented visual effects using Nuke, After Effects, and Maya, applying compositing, chroma keying, rotoscoping, and motion tracking to boost storytelling.
- Collaborated with instructors and peers to troubleshoot technical challenges, streamline workflows, and improve the quality of final renders.
- Delivered visual effects work within a structured production pipeline, incorporating technical feedback and meeting project deadlines.

Ginsburg Family Foundation — Phoenix Generation & The Pledge of Central Florida
Orlando, FL.

Social Media Intern
05/2025 - 12/2025

- Launched Phoenix Generation's social media presence from the ground up, reaching 10k+ accounts and 35k+ views in two months through strategic, data-driven content and visual storytelling.
- Produced high-performing digital content and branded assets, contributing to a +192% increase in reach and +200% growth in profile visits within 90 days while promoting key events and community initiatives.
- Established a repeatable publishing workflow covering content planning, asset creation, caption development, scheduling, and leadership review.

Full Sail University / Ginsburg Family Foundation
Orlando, FL.

ISS President & Ginsburg Fellow
04/2024 - 10/2025

- Directed multicultural programming as International Student Society President, coordinating event concepts, volunteer teams, promotional materials, and technical production.
- Led the International Student Society by organizing 20+ multicultural events for 300-350+ attendees each and mentoring 50+ international students through orientation, workshops, and advocacy initiatives that strengthened campus engagement and inclusion.
- Secured sponsorships from The Pledge of Central Florida for 30+ events, managing event budgets and vendor partnerships while balancing creative vision with limited resources.
- Managed creative and technical event production while fostering partnerships between Full Sail University and community organizations, contributing to intercultural programming and student-led initiatives recognized on the FusionFest Main Stage.
- Selected as a delegate to the Interfaith America Leadership Summit, representing Full Sail University's international student community.
- Coordinated audiovisual setup, projection checks, and video playback for rehearsals and live events, aligning technical requirements with the creative program.

Ginsburg Family Foundation
Event Show Producer – Eco Fashion Week 2025 / FusionFest Orlando 2025
05/2025 - 09/2025

- Organized and produced Eco Fashion Week 2025 at Full Sail University, leading runway production, visual direction, lighting, music, and guest experience for a sustainability-focused live event.
- Collaborated with FusionFest Orlando 2025 to coordinate runway production, volunteers, and event logistics for a multicultural showcase attended by 1,000+ guests while promoting sustainability and creative community engagement.

Phoenix Generation Rising Together Conference
Orlando, FL.

Social Media Committee
11/2024 - 02/2025

- Developed the conference's first contest strategy, using participation prompts and targeted communications to encourage engagement across university communities.
- Led social media and digital strategy for a youth conference with 400+ participants, overseeing online engagement, communication, and promotional campaigns across multiple university communities.
- Built Phoenix Generation's digital presence and engagement strategy from the ground up, driving 90% app adoption with 450+ active users and 3,500+ community interactions through storytelling and targeted content.
- Produced promotional content generating 25,000+ views and encouraged audience participation that yielded 250+ survey responses and 350+ poll submissions.

Nopa Importaciones
Quito, EC.

Web Design & Marketing Intern
05/2023 - 10/2023

- Redesigned and optimized the company website using HTML, CSS, and JavaScript, creating a responsive, user-friendly interface that improved accessibility and customer experience.
- Boosted digital performance with 250+ additional page views and 5K+ click-throughs through layout enhancements, SEO strategies, and engagement improvements.
- Designed and executed marketing campaigns and visual assets (posters, social graphics, digital content) that strengthened brand visibility and online presence.

Snow College **Ephraim, UT.**
Continuing Education Assistant **01/2022 - 05/2023**

- Pioneered the role of Continuing Education Assistant, launching programs with 300+ attendees and driving a steady 15% growth in participation per event.
- Founded an ESL program for Spanish-speaking residents and built partnerships with local organizations to expand class offerings in Ephraim, Utah. In addition to teaching children ages 5–12, I also provided personalized English lessons to adults (ages 30–45) with zero prior English knowledge, creating individualized learning plans to help them build confidence and foundational language skills.
- Launched and led promotional campaigns (posters, digital outreach, community engagement) that enhanced visibility citywide and strengthened public participation.
- Attended Snow College's Disney Theme Parks Seminar on Leadership and Technology, exploring Disney's Five Keys framework, team leadership, and the integration of technology and storytelling in guest experiences.

Web Page Designer **01/2022 - 05/2023**

- Redesigned Snow College web pages using UX/UI principles, improving content organization, navigation, and access to information for students and community members.
- Developed responsive layouts with HTML, CSS, and JavaScript, adapting page design and functionality for desktop and mobile devices.
- Created web graphics and digital promotional assets, combining visual design with website content to support continuing education programs and community outreach.

Nopa Importaciones **Quito, EC.**
Marketing and Social Networks Administrator **01/2018 - 08/2021**

- Managed daily social media content creation and scheduling, coordinating promotional messaging across the company's digital channels.
- Planned and executed targeted advertising campaigns through Meta Ads Manager to support company marketing initiatives.
- Designed branded social graphics and promotional materials, maintaining visual consistency across organic content and paid campaigns.
- Researched industry trends and competitor activity to inform content themes, campaign ideas, and digital marketing strategies.

PROJECTS

PHXCON 2026 — Multimedia and Social Media Campaign 11/2025 - 11/2026
Phoenix Generation / Ginsburg Family Foundation

- Lead multimedia campaign planning for PHXCON 2026, a conference designed to bring together 1,000 students from across Central Florida.
- Coordinate Social Media Committee assignments and content contributions from approximately 30 fellows and students across 4 colleges and universities.

- Develop promotional videos, speaker features, student introductions, and registration content, aligning creative production with conference messaging.
- Plan pre-event, live, and post-event coverage, coordinating photography, interviews, video production, and stakeholder approvals.

Full Sail Multicultural Fest
08/2024 - 11/2025

Full Sail University / International Student Society

- Created and organized a campus multicultural festival as International Student Society President and Ginsburg Fellow, providing a platform for students to share their cultural identities.
- Led event planning and creative coordination, bringing student participation and multicultural programming into a shared campus experience.
- Connected university leadership and community partners to support programming that encouraged intercultural dialogue and student engagement.

Eco Fashion Week
03/2025 - 11/2025

Full Sail University / The Pledge of Central Florida

- Created and produced a sustainability-focused fashion event, leading concept development, creative direction, volunteer recruitment, and runway production.
- Coordinated stage layout, lighting, music, participant preparation, and guest experience while managing event resources and sponsor relationships.
- Designed promotional materials and organized a photoshoot featuring custom visuals to support the event's identity and publicity.
- Guided participants in developing fashion pieces from recycled materials; the initiative was selected for a showcase at Orlando's FusionFest.

Global Music Celebration
01/2025 - 04/2025

Full Sail University / International Student Society

- Created and produced a multicultural music event, managing planning, creative development, campus logistics, and promotion from concept through execution.
- Secured the campus venue, coordinated the DJ, and recruited volunteers to support event operations.
- Designed the event's visual identity and promotional materials, managing social media publicity and photography planning.
- Coordinated technical and creative requirements to bring music, cultural expression, and student participation into a shared campus experience.

Community ESL Program
02/2022 - 05/2023

Snow College — Continuing Education

- Founded an ESL program for Spanish-speaking residents in Ephraim, Utah, developing community partnerships and outreach to expand access to language education.
- Personally mentored 50+ residents in English, computer skills, and financial literacy through an initiative that reached more than 100 community members.
- Developed individualized learning plans for children and adults with limited or no English proficiency, adapting instruction to different ages and learning needs.
- Established a community education initiative that continued after my departure, extending its impact beyond my time at Snow College.
